Policies for using the collaborative lab
In room W-426J

Thank you for using the MSU Libraries Collaborative Technology Labs. If you find anything in the lab to be out of order, please report it when you return your binder. Below are the policies for use:

- Labs must be reserved ahead of time at the website http://reservations.lib.msu.edu
- Patrons making reservations must arrive within 15 minutes of the reservation start time, or the room will be released and reassigned. You may check in up to 15 minutes early if the room is not in use.
- Each patron may reserve MSU Libraries Collaborative Technology Labs up to 2 hours per day.
- The checkout and checkin point for this lab is the MSU Digital Multimedia Center (DMC) Service counter located in the main library’s west wing, room 426.
- Upon checkin, the patron will be issued a binder (this binder) containing instructions. The binder must be returned immediately following the room reservation.
- Rooms must be left clean and tidy.

Please ask for help if equipment is not working, and please report any problems.
Using the Equipment

Computer

To start the computers

- Touch the tabletop control panel to wake it up
- Press either “Win 7 PC,” “Mac Mini,” to turn on one of those computers
- Log into the computer using your MSU NetID and password
- Press “Power” on the tabletop control panel to project the computer image onto the large wall-mounted monitor

The Control Unit on the top of the Tech Cart controls all the equipment in the room. If the computers are powered down and won’t turn on, please ask for assistance at the service desk.

Connect a Laptop

The tech cabinet has a VGA cable and a HDMI cable. A Mac/VGA converter is available for checkout at the Digital Multimedia Center (DMC) Service Counter.

Connect your laptop, then press the “VGA” button or the “HDMI” button on the Tech Cart, depending on which cable you used for your laptop.

Sound

The sound from the lab computer or from your laptop can only be heard when that device is chosen on the Tech Cart Controller. Adjust sound using the Volume buttons on the Control Panel.
Video Camera

A webcam is available for checkout at the DMC service counter.

- Plug the USB cable into the monitor’s USB slot.
- Launch a program that will use the camera, such as
  - Skype
